Filed: June 30, 2003

Docket No.: 114790

For: SYSTEMS AND METHODS FOR ASSOCIATING COLOR PROFILES WITH A
SCANNED INPUT IMAGE USING SPATIAL ATTRIBUTES

**RESPONSE TO NOTICE TO FILE CORRECTED
APPLICATION PAPERS WITH FORMAL DRAWINGS**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication is filed in response to the attached Notice to File Corrected Application Papers - Filing Date Granted mailed on September 22, 2003. The Notice indicates that the drawings are not in compliance with 37 C.F.R. §1.84 and 37 C.F.R. §1.121. Specifically, the Notice indicates that the drawings submitted are not acceptable because the figures are not labeled. Applicants respectfully submit that this Notice is in error.

The application and drawings Figs. 1-11 were filed electronically on June 30, 2003. When filing this application electronically, Applicants received three error messages until the application was issued serial number 10/604,201. Thus, Applicants submit that the various errors encountered when electronically filing the application led to drawing figures not being labeled.

Applicants therefore resubmit in paper Figs. 1-11 for this application. These figures are identical to the figures filed electronically on June 30, 2003, except that Fig. 1 was corrected for a typographical error in item 156. No new matter is added.

The Commissioner is hereby authorized to charge any additional fee (or credit any overpayment) associated with this communication to deposit account number 24-0037. Duplicate copies of this paper are attached.

Respectfully submitted,

James A. Oliff
